Features

- Totally enclosed fan-cooled motor keeps out dirt and dust for longer motor life.
- Virtually indestructible gearbox
- Low current draw
- UL/CUL Approved
- Private label and/or custom colors available at no extra cost with customer-supplied labels.

Totally enclosed motor units are ideal for the harshest conditions – dust, moisture, chemicals – and great for sanding or screening applications, stone care and concrete work.

Note: These units are NOT explosion-proof.
